### **Kvalitet der bare holder og holder og holder...**

Vi yder 10 års garanti, men levetiden på vores løsninger er meget længere – det er godt for investeringen og samtidig godt for miljøet.

### **Totalindretning – one stop shopping**

Alt fra behandlingsrum, steril, receptions- og loungeområder til personale- og mødefaciliteter. Vi tænker i design, i farver i materialer og i løsninger der virker.

### **Rådgivning baseret på viden**

Vi kender arbejdsgangene i sundhedssektoren, og vores løsninger tager udgangspunkt i optimering af arbejdsmiljø, god hygiejne og overholdelse af formelle krav.

### **Specialudviklede løsninger**

Hvert projekt er unikt – så altid individuelle løsninger der benytter et bredt sortiment af unikke produkter, specialudviklet til at optimere arbejdet i sundhedssektoren.

### **Kompromisløst valg af materialer**

Vi indkøber og benytter kun de bedste materialer i vores produktion. Vores primære ressource er træ – altid FSC mærket

### **Håndværk skabt af mennesker**

Snedkerhåndværk der bygger på erfaring. Hos os bruger vi hænderne i kombination med de nyeste maskiner. Vi samler og tester altid inden vi afsender.
